# ROCK HILL BICYCLE CLUB

Rock Hill, South Carolina

## From the President

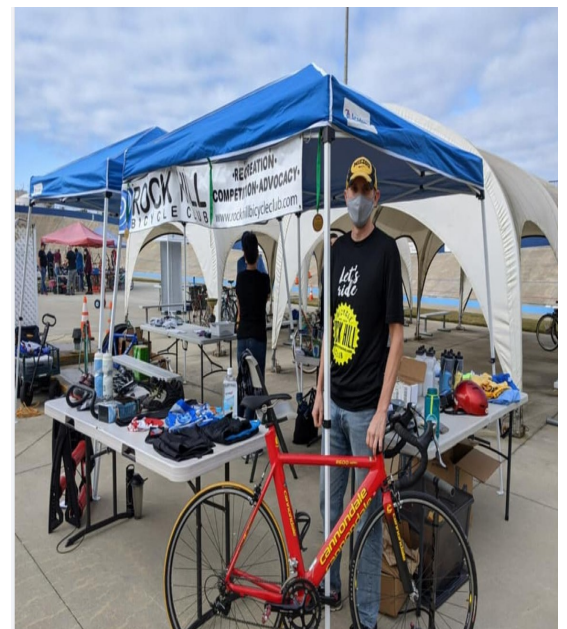

Well folks, the year is about over. Given the restrictions we had for a while, I still think the year went very well. Our Monday Night Rides had great turnouts, the Fall Harvest Ride was very successful, and membership stayed high. Thank you everyone.

Though we will not be having a formal end-of-year party because of group gathering concerns, we are going to have a club ride in December, and an informal drop-in at Tattooed Brews on December 8. Stay tuned for more information on those.

We'll soon be headed into 2021. We'll have a new board in place, but we'll still have great things planned. Club rides, Fall Harvest Ride with route updates, and quite possibly the resurrection of the 3-day Spring Classics races (if we can get the details worked out). I look forward to what 2021 brings.

## Things to Remember

---

Monday Night Ride

On hold until next Spring.

Time Trial Series

On hold until next Spring.

Fall Harvest Ride

Coming back next year.

**Hi, we would like to continue to grow your bike club...with that said, please let us know how YOU would like to get involved! This is YOUR club too, and we would love to have your participation in our upcoming 2021 events. We have many volunteer opportunities that will allow you to give back to the local cycling community!**

**Also, If you have are passionate about a new, fun event and would like to volunteer to help the club get involved, please reach out**

**AND – if you know a local cyclist who's not a member, remind them of the benefits of joining.**

**Last but not least, please remember to take a look at our Sponsors page – these local businesses help to support the club financially, and have some benefits in place for club members, it would be great if we helped them also**
